2023 Annual Report

Our mission is to empower families as advocates and partners in improving education and health outcomes for children with disabilities and special healthcare needs with a commitment to diversity and equity.

97% of surveyed families said our services helped them learn more about how to meet their child's needs

98% of surveyed families said the resources they received from us were useful

"[My Parent Educator] was GREAT! She helped me so much and I felt more empowered to advocate for my son because the information/resources she gave me helped me tremendously! ... I never felt as if she didn't care about my situation. I even recommended PPMD to another parent who needed help..."
